The Women's Business Network presents:

**Sanjana Batia - Estate Planning & The Family Law Act
Wednesday, September 3, 2003 Holiday Inn, 6:00 p.m.**

Sanjana Bhatia is a lawyer and Advanced Case Consultant at Standard Life. Her role is to provide estate, tax, and insurance planning support to agents, brokers, and business professionals. She is a tax specialist, a tax litigator, and a research lawyer with the Tax Court of Canada.

Sanjana has spoken at a number of conferences and seminars on a variety of topics, including retirement planning programs and wealth and preservations through exempt life insurance policies. She has been a member of the Canadian Bar Association since 1995, and is also a member of the Canadian Tax Foundation and Society of Trust and Estate Planners.

The topic of Sanjana's presentation is "Estate Planning and the Family Law Act of Ontario". Sanjana will share invaluable information and insights on how the Family Law Act impacts our Estate Planning. Do you know that your spouse has certain family law rights that override any estate plans you have made and can result in expensive litigation or that if you have a business partner(s) either your spouse or their's could end up with a controlling interest in the business in the event of one partner's death or marriage break-up? Regardless of your age or marital status, you need to hear what Sanjana has to say.

Female guests are welcome to attend. A \$35.00 guest fee applies, which includes a three course meal. Call the WBN Hotline @ (705) 740-6199 to reserve your seat.
