***The Women's Business Network of Peterborough announces
Member of the Year Award recipient is Kathryn Fanning.***

Maureen Taverner, of Remax Eastern Realty, initiated the concept 27 years ago to recognize a member who has gone above and beyond the call of duty. Each member casts a ballot at the Annual General Meeting to determine the award winner. This year's recipient is Kathryn Fanning, who is on the current board as Newsletter Director, and the incoming President. Kathryn along with many other duties initiated a new look for the WBN Newsletter introducing color and a newly expanded advertising component to cover all additional expenses! This has created a much more useful and well read publication for the membership to enjoy.

The Women's Business Network of Peterborough is a networking channel for women who wish to enhance and expand their business contacts and grow their businesses.

Formed in 1961 as the Peterborough Chapter of the Canadian Advertising and Sales Association, the Network has evolved into a dynamic and growing membership of women with diverse backgrounds and careers who meet to share their knowledge and experience and promote their businesses.

Network members are entrepreneurs, business owners, professionals, administrators, writers, media representatives, computer specialists and health care providers to name a few.

The WBN web site provides details on membership and attending as a guest.
